

**St. Augustine Church Records Index**  
Baptisms - 1768-1783 - Alphabetical

**TRANSCRIBER NOTATION:** *Dates are m/d/yyyy - The names in the index are not exactly as found in the records. I have attempted to standardize the names, so a person's name is the same on all the tabs. Example: Someone in the record appearing as Joan Soxi, Juan Soche, Juan Antonio Sochi would appear as Juan Antonio Soche in the index. Some women sometimes appear with their father's surname and sometimes with their mother's surname. When this is the case, I have tried to show their name as (father's surname) y (mother's surname). People of the same family should have the same surname spelling on all tabs, rather than a multitude of different spellings to make sorting into families easier. One exception to this rule is Alzina/Usina. There were 2 or 3 Alzina men who came to Florida. The male lines died out for all but Antonio Alzina, and his family changed the spelling to USINA around 1798. Antonio and his family are listed as USINA, and the other families are listed as ALZINA.*
