HUELLAS

Una noche, un hombre tuvo un sueño. Soñó que él estaba caminando por la playa con el Señor. A través del cielo pasaban escenas de su vida. En cada escena, él veía dos pares de huellas en la arena, un par era de él y el otro del Señor.

Después que vió la última escena de su vida, el nombre se volteó para mirar las huellas en la arena y notó que muchas veces a lo largo del sendero de su vida había solamente un par de huellas. También notó que esto pasaba en los momentos más tristes y penosos de su vida.

Esto le preocupó realmente y preguntó al Señor. “Señor, tú me dijiste que una vez que yo haya decidido seguirte, tú me acompañarías para siempre. Pero he notado que durante los momentos más difíciles de mi vida había solamente un par de huellas. No comprendo pro qué, cuando yo más te necesitaba, tu me abandonaste.”

El Señor le respondió, “Mi hijo muypreciado y querido, te amo y nunca te dejaría. Durante tus momentos de prueba y dolor, cuando tú veías sólo un par de huellas, era cuando yo te llevaba. “

The Resurrection

"I am the resurrection and the life: He that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die."

— John 11:25, 26

All the beauty and wonder of the Resurrection of Jesus Christ are inherent in the new painting which portrays this most sacred hour. Its message of love brings close to our hearts the meaning of Christ's mission upon the earth, giving us comfort and renewed faith in His promise of eternal life.

Your Mother is always with you. She's the whisper of the leaves as you walk down the street, she's the smell of bleach in your freshly laundered socks, she's the cool hand on your brow when you're not well. Your Mother lives inside your laughter. And she's crystallized in every tear drop. She's the place you came from, your first home; and she's the map you follow with every step you take. She's your first love and your first heartbreak, and nothing on earth can separate you. Not time, not space....not even death!
